* **Environmental impact**

We are trying to be as sustainable as possible for this conference by printing only what is necessary and reusing/repurposing where possible. We will recycle all paper and other items – like name tags – at the end of the conference. We are also working hard to not contribute to food wastage and ordering what is required.

* **Social Media & Publicity**

We have a very active social media platform and do live tweet conferences on Twitter. We have a permission only policy for live tweeting and sharing pictures. If you do not wish for pictures to be taken or for papers to be shared, please tell the conference organisers.

We are a very lively and congenial network and ask that all members attending the conference be polite and respectful when sharing via social media.

- The conference hashtag for Twitter is: **#HWRBI2019**. You can also add **#nunscapes**
- Our handle is: **@H_WRBI**
- Many of the speakers are on social media and would be grateful if you include their handle when live tweeting

Any questions about social media should be directed to the conference organisers.
