

## Application for H-WRBI Conference Bursary

Bursaries are available for postgraduate students; early career fellows who are not in full-time employment; and independent scholars working outside the university sector with no access to funding. All applications will be considered. A condition of receiving the bursary will be that you attend the days covered by the bursary and that you tweet and/or blog and/or offer a conference review. (Please indicate your preference). Unfortunately, we cannot provide funding for everyone and the maximum we can offer is the cost of your registration. Bursaries will be paid after the conference.

Please email completed form to [hwrbi.conference@gmail](mailto:hwrbi.conference@gmail.com) by 6 May 2022.

### CONTACT INFORMATION

Name	
Email address	
Telephone
